Brand New Book ***** Print on Demand *****.It's one of a parent's nightmare scenarios: Your child needs to do something but won't respond to your requests, threats or cajoling--which then provokes yelling that the child learns to tune out, even as it leaves you angry and frustrated. In WHY ARE YOU YELLING? transformational coach Jennifer Altieri says it doesn't have to be this way. She explains how a parent's own range of emotions plays into such behavior and offers tips and tools you can employ to defuse any situation and get through to your child without upsetting the whole family. You'll find this book an invaluable guide, one that presents loving common-sense solutions to everyday problems.
