

Cabra

By Ian Samuels

Red Deer Press. Paperback / softback. Book Condition: new. BRAND NEW, Cabra, Ian Samuels, Over the space of centuries, the exploration and settlement of Brazil inspired a vast body of stories that sought to define the country. Its people, its landscapes and its history became the focus of an intense gaze that transmuted the image of Brazil into a fantasy landscape, a changeling world of mingled beauty and brutality, by turns quaint, hallucinatory and nightmarish. Cabra is an exploration of the imagination of Brazil and its fever-dream. It is a mapping of the topography of myth itself, a search for the voice of history in the cracks of the colonial facade. Perhaps most of all, it is a search for the voices of the dispossessed, whose very identity is the tortured space of the middle passage, the in-between. Reviews ""Cabra challenges readers to ponder Samuel's views on Brazil as creation of the imagination that helps us to discover ourselves."" -Canadian Book Review Annual.

Reviews

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.

-- Miss Marge Jerde

It is really an remarkable publication i actually have possibly study. It usually is not going to cost excessive. Its been written in an exceedingly basic way and is particularly only right after i finished reading this publication through which basically transformed me, affect the way i think.

-- Dr. Breana O'Kon
