Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 518 pages. Dimensions: 9.0in. x 6.0in. x 1.2in. THIS book of Preparation for First Communion, which it is my privilege to introduce to the reader, was originally undertaken at the suggestion of the late Father John Morris, S. J. , who as long as he lived took the warmest interest in its progress. Unhappily only a few chapters had been completed at the time of his lamented death, and in the sense of that great loss the work for a while was laid aside. It would have been a matter for much regret if the author had made this decision a final one. The book now completed has suffered, we cannot doubt, from the lack of Father Morris's always helpful criticisms, but the originality of its conception and the knowledge of child nature displayed in it can hardly fail to justify its publication. In the address To the Children which will be found further on, it is stated that the book is intended to aid the little ones to prepare themselves for First Communion. Perhaps it may be well to add a word of explanation here to anticipate possible misconceptions. It is not in any way the idea of the author that a child should be presented with a copy of this work and then cut adrift without further help, in the expectation that when the proper time comes the needful process of preparation will have worked itself out automatically. None the less, it is believed that many children are quite capable, under the supervision of parents or teachers, of reading for themselves instructions couched in simple child's language such as this book offers them, and furthermore the author has assumed that it may be helpful...
