This item is printed on demand - Print on Demand Titel. - Essay from the year 2000 in the subject Sociology - Gender Studies, printed single-sided, grade: A, University of Illinois at Chicago, language: English, abstract: [.] Therefore, the baby tries to replace his/her sucking in a mother direction in other words, the mother gets displaced. In the theory of Freud the female sex is incomplete. She is the castrate of the real sex, the man. ``.the little girl is first a little boy, actively desiring her mother in the preoedipal period. When she recognize her lack- the penis she must have to gain her mother`s love- she turns with hostility from her mother, represses her inappropriately phallic desire, takes her father as love object and is thrust into the feminine position (Bernheimer 1 , p.28.)``. How can be a girl be a boy (I will come back to this question later) But how could girls in Freud`s society figure out that they are incomplete Where could they see naked kids or adults Would they not more likely see the father as uncompleted, which has no obvious sex organs, missing the breast Or was his society not as bluestocking as history use to tell us and Foucault, with his believe about the un-prude bourgeoisie society is right Freud impute all women a desire for a penis. Out of this penis envy the girl rejects her mother and turns to the father. This includes the rescue of the girl from her homosexuality. The original desire is displaced. Also, the desire after the nipple has to be transferred. Again, this displacement, in the theory of Freud, occurs in different ways not directly related to the cause. As...
