Gods Word teaches that healing and health are Gods will for every person, every time. However, if youve been a Christian very long, youve probably heard some seemingly Scriptural objections that complicate the simple truth that God is Good, and His will is always Healing. . . such as: Doesnt God allow suffering, trials, tribulations and evil What about Job Doesnt God use sickness to teach and mature us What about Pauls thorn in the flesh What about Gods timing Didnt healing and miracles stop or fade away a long time ago If Gods will is always healing, then why am I sick In this nearly 400-page book we use over 600 Scriptures to tackle and destroy all of these manmade traditions (and many more). Perhaps more importantly than crushing these specific objections, well establish some larger, more central truths as foundations in our lives. . . Old Covenant vs. New Covenant Invisible Truth vs. Visible Circumstances Gods Goodness vs. the Devils Badness The Believers Authority and Gods Sovereignty Salvation, The Atonement, and Christs Finished Work Jesus is our Example and Standard, and We are one with the Exalted Christ Once these Bible basics become the lenses through which we view the world (and the Word), we will never again wonder about Gods will concerning healing. If you need healing, or desire to confidently and effectively minister healing to others, then this is the book for you! With a dozen Questions for Discussion, Study and Review at the end of each chapter, this is an ideal guide for personal study or group discussion. Church, lets obliterate the man-made traditions that have held us back, and grow up in Christ!!! This item...
