There are certain accessory characteristics which must have their due importance as likewise forming a prominent feature in the type of the Ox which is intended for the butcher. It must have slenderly-made bones, a fine head, skin supple and not too thick, moderate dewlap, thin and downy hair, calm visage, quiet and mild look. It may be regarded as a certainty that the Ox which combines these and the former attributes possesses a special fitness for becoming good beef. Next to meat, milk is the most valuable product which this race furnishes us--a source of wealth to the producers, for it...
