Celebrate Valentines Day

By Carolyn Otto

National Geographic Society. Hardcover. Book Condition: New. Hardcover. 32 pages. Dimensions: 10.1in. x 8.5in. x 0.4in. In the mood for love Whose heart has not been won over on February 14th the day reserved for celebrating love in its many forms around the world. Celebrate Valentines Day focuses on historical and cultural aspects of this holiday and the international traditions, food, and celebrations associated with it. This celebration of love includes fun facts; a recipe; a map showing the location of all photographs; a resource list of books, videos, and Web sites; and a note from an expert consultant, aimed at parents and teachers, which deepens our understanding of the holiday's importance and meaning. The history of the holiday is shrouded in mystery, but we do know that Valentines Day wasn't always a time for red roses, candy hearts, and frilly greeting cards. Readers learn that some historians trace the feast of the patron saint of love to ancient Greek and Roman festivals that signaled the beginning of spring, which officially began in February in ancient Rome. We discover how, according to one legend, St. Valentine was a priest imprisoned for defying the emperor. Before being put to death, he sent the first...
