Brand New Book ***** Print on Demand *****.The Economic Fall of the West Question: what is the next economic game changer? Answer: The Death of Wealth. Market guru Clem Chambers dissects the global economy and the state of the financial markets and lays out the evidence for the death of wealth. Financial meltdown The Death of Wealth flags up the milestones on the route towards impending financial disaster. From the first tentative signs of recovery in the UK and US stock markets at the start of 2012, to the temporary drawing back from the edge of the Fiscal Cliff at the end, the book chronicles the trials and tribulations of the markets throughout the year. Collecting together articles and essays throughout the last twelve months along with extensive new analysis for 2013, The Death of Wealth allows us to look at these tumultuous events collectively and draw a strong conclusion about what the future holds. A tumultuous year for the global economy 2012 started with the US economy showing signs of recovery, and European financial markets recovering some of the ground lost during the...
