On Becoming Preteen Wise: Parenting Your Child from 8-12 Years (Paperback)

By Gary Ezzo

Parent-Wise Solutions, Incorporated, United States, 2001.

Paperback. Book Condition: New. 203 x 132 mm. Language:

English . Brand New Book. The middle years, 9 to 12 years of

age, are perhaps the most significant attitude-forming period

in the life of a child. It is during this time that the roots of moral

character are established. From the foundation that is formed,

healthy or not-so-healthy family relationships will be built.

During the preteen years, patterns of conduct are firmly

established patterns that will impact your parent-child

relationship for decades to come. Rightly meeting the small

challenges of the middle years significantly reduces the

likelihood of big challenges in the teen years. On Becoming

Preteenwise is based on the familiar axiom that an ounce of

prevention is worth a pound of cure. It is much easier to avoid

making mistakes than it is to correct them after the fact. This is

particularly true of parenting. Just ask any mother or father

continually challenged by a contentious or rebellious teen.

Given a choice to go back and start over.
