Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Welcome to this second book, Expressions of Consciousness, in our series exploring our collective human consciousness. Overall, the series of five books will become an embracing tome entitled Bubbles of Consciousness. The end goal is to affect a change in humanity's somewhat self-destructive behaviors, i.e., those behaviors that are steadily and increasingly poisoning our environment, our planet, and ourselves. The immediate aim is to offer creative solutions to humanity's pressing dilemmas. The first and second books have been written, and the third book is under development. The series will complete with a total of five books. The guiding assumption in developing this series is that our values and thoughts determine our behavior, and that in turn, our behavior impacts our environment for better, or for worse. In this series, topic areas touched upon will include (1) human history, psychology and sociology, (2) extra sensory perception, paranormal experience and parapsychology, and (3) spirituality, transcendentalism, mysticism, religion, and the supernatural. The first book, The Edges of Consciousness, explored ESP (extra sensory perception) and came up with some interesting findings. First, we found that we actually do possess the ability to transform our physical realities with thought alone. Second, we found that we really do possess the ability to communicate instantly with each other. Third, we found that we also possess the ability to discern and manage hidden realities and future possibilities. Fourth, we found that we exist independent of the human body. And fifth, we found that we come in and out of human lifetimes in a recurring sort of way. However, we also observed that these extraordinary abilities, generally ESP in nature, have been pushed out to...
