Pantheon. 1 Cloth(s), 2011. hard. Book Condition: New. "In turn of the 20th-century Vienna, Jews enjoyed considerable freedom and opportunities for upward mobility, despite the unmistakable presence of anti-Semitism in the city. In this history, Tim Bonyhady focuses on his own ancestors, the Gallia family, as representative examples of the affluent upper middle class of the era. As they prospered, the highly cultured Gallia family amassed an impressive art collection, examples of which appear here along with numerous family snapshots. Bonyhady follows the family's history through the epoch-ending events of Kristallnacht, and their successful escape to Australia." [Tim] Bonyhady has delved deeply into his forebears concert books, travel logs, letters, and death certificates in an effort to reconstruct his familys identity . The result is a lucid, poignant generational tale of loss of material wealth and cultural identity that provides new perspective and insight into both Holocaust and immigration studies." Booklist" 376.
