Paperback. Book Condition: New. Not Signed; It's no secret: something has happened to America's families. Dramatic shifts in our culture mean that what was once an acceptable way to produce mature, capable adults has now all but disappeared. In *Rite of Passage Parenting*, family expert Walker Moore explains how that happened. And after concisely assessing the problem, Moore teaches you how to build into your children's lives the essential experiences every child needs: (1) an authentic Rite of Passage, (2) Significant Tasks, (3) Logical Consequences, and (4) Grace Deposits from parents, grandparents, and other caring adults. Walker Moore writes from years of experience as a minister, family speaker, youth culture specialist, and father. He knows well the damage to self-reliance, self-worth, values foundation, and identity that missing out on these essential experiences can cause. In *Rite of Passage Parenting*, he shows you how to prevent the damage and help your children move toward adulthood in a healthy way. If you are concerned about the effects of the current cultural chaos; if you notice in your children a lack of responsibility, the lack of a good work ethic, disrespect for authority; if you are worried that your children may experiment with false rites of passage—profanity, smoking, drugs, alcohol, body piercing, or sex—let Walker Moore show you how to provide the four essential experiences most children are missing. book.
