Orca Book Publishers. Hardback. Book Condition: new. BRAND NEW, Salt, Maurice Gee, The Whips, as silent as hunting cats, surrounded Blood Burrow in the hour before sun-up and began their sweep as the morning dogs began to howl. Their gray tunics turned black in the downpour, their helmets shone like beetle wings and the sparks that jumped from their fingers as they herded their recruits fizzed and spat like sewer gas. Salt is an utterly compelling fantasy adventure, the work of a master storyteller at the peak of his powers. When his father Tarl is captured and enslaved to work in Deep Salt, Hari vows to rescue him. This is a forbidding task: no one returns from Deep Salt. But Hari was born and raised in Blood Burrow. He's tough and smart--and he has a secret gift: he can communicate with animals. The beautiful Pearl, born into the privileged world of the ruling class known as Company, has learned forbidden things from her mysteriously gifted maid Tealeaf. Now her father has promised her in marriage to the powerful and ambitious Ottmar. But Pearl will never submit to a subordinate life, so she and Tealeaf must flee. When their paths cross, Hari and Pearl realize that together they must discover the secrets of Deep Salt. Their long journey through the badlands becomes far more than a quest to save Tarl--their world is on the brink of unspeakable terror. Maurice Gee is one of New Zealand's finest writers, with more than forty books for adults and young adults and a number of prestigious awards to his credit. Salt is the first volume of The Salt Trilogy. Orca will publish Gool in Fall 2010 and Blood Burrow in Spring 2011.
