Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

(Mr. Grant Stanton PhD)

RAVEN STOLE THE MOON

HarperCollins Publishers Inc. Paperback / softback. Book Condition: new. BRAND NEW, Raven Stole the Moon, Garth Stein, In this haunting debut, Garth Stein brilliantly invokes his Native American heritage and its folklore to create an electrifying supernatural thriller. When a grieving mother returns to the remote Alaskan town where her young son drowned, she discovers that the truth about her son's death is shrouded in legend and buried in a terrifying wrinkle between life and death. When Jenna Rosen abandons her comfortable Seattle life to return to Wrangell, Alaska, it's a wrenching return to her past. Long ago the home of her Native American grandmother, Wrangell is located near the Thunder Bay resort, where Jenna's young son, Bobby, disappeared two years before. His body was never recovered, and Jenna is determined to lay to rest the aching mystery of his death. But the spectacular town provides little comfort beyond the steady and tender affections of Eddie, a local fisherman. And then whispers of ancient legends begin to suggest a frightening new possibility about Bobby's fate. Soon, Jenna must sift through the beliefs of her ancestors, the Tlingit, who still tell of powerful, menacing forces at work in the Alaskan wilderness. These beliefs are shared by Dr. David Livingstone, a practicing shaman who had been hired to "cleanse" Thunder Bay of its restless spirits. The experience almost cost him his life, and he warns Jenna about the danger of disturbing the legendary *kushtaka*, soul-stealing predators that stalk a netherworld between land and sea, the living and the dead. But Jenna is desperate for answers, and she appeals to both Livingstone and Eddie to help her sort fact from myth, and face the unthinkable possibilities head-on. Armed with nothing but a mother's ferocious protective instincts, Jenna's quest for the truth about her son...
