Cow And Humanity - Made For Each Other

By Dr. Sahadeva dasa

Soul Science University Press. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 8.4in. x 5.4in. x 0.3in. Were finally going to get the bill for the Industrial Age. If the projections are right, its going to be a big one: the ecological collapse of the planet, says Jeremy Rifkin. At the dawn of the industrial age two hundred years ago, we took a wrong turn when we started living on natures capital instead of natures incomes. We started gorging upon resources that took nature millions of years to create. These resources were saved up by nature according to its own plan of functioning. Nature has her own way; she better understands her own affairs than we. We have one planet to live on and all our needs have to be satisfied with whatever is in here. We can not import a thing from other planets for our survival, no matter how much we advertise our dubious moon missions. All we can do is blow up billions and console the taxpayers with few rocks. This senseless exploitation of resources can not go on forever. This cradle to grave economics in which we turn every natural resource into a toxic waste is inherently...
