

## Living with Strokes, Alzheimer s, Diabetes (Paperback)

---

By Roy E Lique

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The book is about a couple which is under extreme pressure to maintain a normal life despite the ravages of the diseases: diabetes, Alzheimer s, and three bouts of strokes, which have befallen the author s wife. The saga about the couple is true and is still ongoing. The story telling in the book will probably stop when either the subject of the stories or the story teller himself is gone. The book has only two main characters, the author and his wife. The author, acting as caregiver to his wife, tells stories about the events that are affecting his wife. There are plenty of those events which affect her differently compared to other people, because of her impaired mental and physical capacity. There are eight chapters in the book corresponding to various aspects affecting the author s wife. Chapters include: Chapter 1 - The Strokes, Chapter 2 - Protecting Amelia, Chapter 3 - Tolerance and Accommodation, Chapter 4 - Different Outlooks for Amelia, Chapter 5 - Incidents Involving Amelia, Chapter 6 - Amelia Goes...
