Brand New Book ***** Print on Demand *****.Excerpt from The Aurora, 1922, Vol. 27 As the sand slowly trickles thru the hour glass of time, there is born to us the realization of new opportunities for life's best. Our vision is clear and impelling and we go forward with enthusiasm and are made happy by each new revelation and possession. But, when much of our enthusiasm has been spent and we are no longer engrossed in life's activities, may some joy and pleasant recollections be ours as we review again the old time history of our college days. If, in the great meditation of life's leisure time, such joy and happiness may come to us in the recalling of familiar by-gones, this volume shall not have been in vain, although new efforts, more elaborate and eventful shall succeed it in the future years and progress of our Alma Mater.
