WHY DIDN T THEY TEACH ME THIS IN SCHOOL?: 99 PERSONAL MONEY MANAGEMENT PRINCIPLES TO LIVE BY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Bestselling 5 Star Graduation Gift for both College and High School grads! Why do high schools and colleges require students to take courses in English, math and science, yet have absolutely no requirements for students to learn about personal money management? Why Didn t They Teach Me This in School? 99 Personal Money Management Lessons to Live By was initially developed by the author to pass on to his five children as they entered adulthood. As it developed, the author realized that personal money management skills were rarely taught in high schools, colleges and even in MBA programs. Unfortunately, books on the subject tend to be complicated, lengthy reads. The book includes eight important lessons focusing on 99 principles that will quickly and memorably enhance any individual s money management acumen. Unlike many of the personal money management books out there, this book is a quick, easily digested read that focuses more on the qualitative side than the quantitative side of personal money management. The principles are not from a text book. Rather, they are practical principles learned by the author as he navigated through his financial life. Many are unorthodox in order to be memorable and provoke deeper thought by the reader. Not only an excellent graduation gift for high school and college students but also a great read for any adult!.
