Talanalaithillaria is no exception and has found no man or woman her match or equal in a thousand years. That changes when Raine, the sole survivor of two mythic races, stumbles across the ancient dragon queen in her lair. Raine possesses her fathers strength and her mothers passion, and the combination ignites the dragons desire to an inferno. Talan, greatest of the twelve ancients, at last finds her perfect lover. Their domestic bliss does not last long, however, as events conspire against their peace. The Hyrrokkin, monstrous demons of the underworld, are spewing forth from the Empty Land. Raine is called to join a band of humans, elves, and dwarves in a quest to stop the invasion. She fears no enemy, no injury, not even death itself. But something is waiting at the Gates of Hel, something that seeks to separate Raine from the dragon she is bound to for all of time. This item ships from multiple locations.
