My Book of ABC is where a child can learn to be bible smart, honor God, and learn basic biblical principles. The bible said in Proverbs 22:6 Train up a child in the way he should go: and when he is old, he will not depart from it. This book uses the alphabet as the basis to teach children about God, His creation, faith, and love. Your child can learn his or her ABC s and at the same time learn about God. Start training your child, and start teaching your children the bible, it is never too early to start. A child s brain is ready to assimilate and is open to learning. it is very important to lead them to Christ at an early age. The early years is the best time to lead a child to Christ and win their hearts for Him eternally. As a mother of two, I know now more than ever that reading God s word to my children at this young age prepares them for their spiritual journey and growth. We need to reach out to our children now before the outside world does. Although each child learns differently and have different learning abilities, we start by teaching them anyway and anyhow we can. I will say what you and I know about your child. Your child is blessed, highly favored of the lord and geared up to be spiritually and heavenly minded.
