Everyone has drank vodka in some shape or form at some point in their life; whether it was in a Cosmopolitan, Apple Martini or one hazy night with a bottle of Popov. Maybe you spent one night on your yacht, rolling around in gold records with a bottle of Ciroc. Ok, maybe that last example was a little reaching but I think we can all agree that it would be awesome. You re interested in this book because you are or want to become a vodka drinker. Or maybe you re a long-time bartender, like me, who wants some more knowledge on one of your favorite spirits. Whatever your reason, thank you for taking the time to read my ramblings, and I ve got you covered. As you explore this book, you will learn about the history of the most versatile spirit ever made, the differences between grain, potato and fruit-based vodkas and the secrets to making the perfect martini. I also introduce you to vodka s best friend, the Bloody Mary and share with you the history and best recipes of the ultimate breakfast drink. Plus over 100 vodka-based craft cocktail recipes from around the world. So read on, my new drinking buddies. Let s get started. But first, I need to refresh my drink.
