David James Publishing. Paperback. Book Condition: New. Paperback. 328 pages. Dimensions: 8.9in. x 6.0in. x 0.9in. THE ICELANDER - As up to date as tomorrows headlines, this is a powerful international thriller set in the romantic Italian city of Venice. It all begins when two Russian submersibles are sent to the bottom of the Arctic Ocean to plant the national flag on the seabed to claim jurisdiction over the oil rich territory, but controversy follows swiftly. Then in a seemingly unconnected event, a three strong hit team led by a man known as The Iclander is by chance intercepted in the heart of Venice. What the authorities dont know is that they are on the way to carry out the assassination of two Norwegian government aides, who are covertly working in their own self-serving interests to upstage Russias plans. The gang ends up trapped in Venices Doge Palace, and when it is established that one of the terrorists is former IRA bomb maker Seamus OCallaghan, Nick Savvas, a retired British Army bomb disposal expert, is called in. But when it all goes wrong, the Iclander takes matters into his own hands and all hell breaks loose. From the snowy wilderness that is the Arctic Circle, and the mean streets of Northern Ireland, to the romantic Italian city of Venice and the sparsely populated islands of the Venetian lagoon, this is a fast moving story that will keep you gripped until the very last page! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
