Language: English Brand New Book ***** Print on Demand *****.Excerpt from A Money-Market Primer and Key to the Exchanges Manchester Guardian: - It would be difficult to name a book of the same moderate size and price which so excellently fulfils the promise of its title. Daily Chronicle: - The chapters on foreign exchanges form one of the clearest and most intelligible expositions of this intricate subject which we have ever seen. Financial News: - Mr. Clare has undertaken to explain to persons with common intelligence, and without expert knowledge, an ordinary money article and he has succeeded d merveille. Daily News: - Each section is set forth and explained in a very lucid and practical manner, capable of being understood even by the novice in finance, whilst there is useful information for all. Athenceum: - This work should enable our business men to obtain a knowledge of this class of transaction, which few now possess. Journal of the Institute of Bankers: - For the first time, both facts and theory are here set forth in a manner that leaves nothing to be desired either in point of clearness or completeness. Commercial and Financial Chronicle (New York): - While professing in his title to give only a primer, Mr. Clare has in reality brought forward all the great principles upon which the most learned and philosophical writer on banking, as it is known in England, would base his speculations.
