## 4th Grade Basic Math Success

By Sylvan Learning

Sylvan Learning Publishing. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 10.8in. x 8.4in. x 0.5in. Success in math requires children to make connections between the real world and math concepts in order to solve problems. Successful problem solvers will be ready for the challenges of mathematics as they advance to more complex topics. The activities in this workbook are designed to help your children catch up, keep up, and get ahead. Best of all, they'll have lots of fun doing it! Some of the great features you'll find inside are: Computation Station Students get lots of opportunities to build their confidence in multiplication and division of two- and three-digit numbers by one- and two-digit numbers. Fraction Subtraction After developing a solid understanding of fractions, students learn to apply their subtraction skills to fractions. Cash Crunch Calculating the value of money provides practical practice in adding and subtracting decimals. The Mighty Marlock Guessing any weight is The Mighty Marlocks gig, but sometimes he guesses wrong. Students decide where Marlock goes astray, reinforcing their knowledge of standard and metric measurement. Mystery Shape Students use process of elimination with hints about sides, angles, and vertices, to find a mystery polygon or three-dimensional shape. Give your child's confidence in...

### Reviews

*Without doubt, this is the very best job by any article writer. It typically does not cost too much. You are going to like just how the blogger write this pdf.*

-- Jazmyn Beier II

*This book can be worth a read through, and far better than other. It can be written in easy phrases instead of confusing. You will not really feel monotony at any moment of your respective time (that's what catalogs are for concerning if you check with me).*
