The Professor s Daughter is a fictional memoir about an eccentric professor who s been a non-conformist his entire career. After his wife s death, he tries to re-establish his relationship with his estranged daughter, Athena. She wants to know about her father s secret life that he lived apart from both her and her mother. Reluctantly, the professor tells Athena about the other women in his life through stories filled with passion, humor and irreverence. The Professor s Daughter is a fictionalized memoir in which the life and loves of a recently widowed professor are recounted to his estranged daughter. In the telling of his side of the story, the professor tells of the many loves in his life, and expounds on his unique perspective on romantic love. Gamow s extensive experience in film is evident in this narrative, which is filled with vibrant characters, crisp dialogue, and a well developed sense of scene.
