Will Swartz Enterprises, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Hey! ----Aren t you supposed to be working?! And yet, here you are searching for another good book to read ---in the hiking section of all places. Does that mean you ve thought about going on a backpacking adventure of your own, like all the people who through-hike the Appalachian Trail (AT)? Me too. Do you long to reconnect with America, like Bill Bryson in *A Walk in the Woods*? Or, become a trail legend and icon, like David Miller, in *Awol on the Appalachian Trail*? Or, are you searching for a long term hike on the Pacific Crest Trail (PCT), like Cheryl Strayed, in *Wild*, as a way to get back to Nature to heal your soul? Good luck! I don t think your boss will give you 6 months off work to go do that. That s why I wrote the book, *A Walk Across Michigan: Hiking the Michigan Shore-to-Shore Riding and Hiking Trail*. There s a trail that cuts across the middle of Michigan that s perfect for people like us. I know because I hiked it. The Shore-to-Shore (STS) is 232.1 miles long and is an ideal path for someone who is looking to do a longer hike but doesn t have a lot of time. It s also a great choice for those who need a trail for a shakedown run and it is newbie hiker friendly. You probably haven t heard of the Michigan Shore-to-Shore Riding and Hiking Trail yet because the trail name is too long to put on a tee shirt and also because it is a well guarded secret! I sent an email to Chris Santella...
