Brand New Book ***** Print on Demand *****.In Plain Sight - The Disregarded Truth identifies and explains how we, the American people, can restart what was once a free America. This is done by revealing the Secrets, which have been hidden in plain sight and are being withheld from the American people, and detailing the simplest of violations that have been occurring against our rights, liberties, and freedom. In order to bring back the original intent and purpose of what is to be our country and government, we must first restore our personal liberties and freedom.
