

The Max Kleinman Reader (Paperback)

Filesize: 2.2 MB

Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).
(Taylor Medhurst)

THE MAX KLEINMAN READER (PAPERBACK)

Atomic Drop Press, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Is The Max Kleinman Reader the funniest book of the 21st Century? Or does it mark the discovery of a dazzling American poet? Kleinman is a skid-row genius who from 1946 to 1999 produced 30.000 poems, most of them wrapped around his singular obsessions with fallen nuns, shrapnel wounds, Western philosophy, cheap wine, and All-Star Wrestling. The Max Kleinman Reader features the best of these poems, along with a cryptic autobiography, a bizarre interview, and a handful of unsettling photographs. But does Max Kleinman really exist? Or is he the twisted invention of freelance scholar Lionel Endenberry? Endenberry claims to have found a shoebox containing all these documents in a garage sale in Van Nuys, California. He exults at having discovered a soon-to-be notable literary figure, and calls Kleinman a poet of enormous versatility and vigor. But after months of searching for further evidence of the shadowy genius's existence, he claims to have found not a trace. Atomic Drop Press doesn't pretend to have the answers to any of these questions. All we know is that The Max Kleinman Reader is one of the strangest and funniest books we've ever seen.
