HOW REPUBLICANS ARE DESTROYING THE MIDDLE CLASS

DOWNLOAD

Dog Ear Publishing. Paperback. Book Condition: New. Paperback. 92 pages. Dimensions: 8.5in. x 5.5in. x 0.2in. The 2014 Congressional election, as well as the state elections, will be a defining time in America, determining the direction that our country will take in the future. Basically, American voters will have three alternatives. The first alternative is completely unacceptable, leaving our government divided between progressive Democrats and reactionary Republicans, with constant bickering and hopeless gridlock, while our countrys massive problems are left unaddressed! The second alternative is even worse, turning our government over completely to Republicans and their Tea Party extremists, resulting in the rich getting richer, the poor getting poorer, and the Middle Class gradually fading away! The only hope for our country to find rational solutions to our massive problems is to return state governments to Democratic control, continue the Democratic majority in the U. S. Senate and throw the Republicans and their Tea Party cohorts out of the House of Representatives! Robert L. Hamlett Robert L. Hamlett was born on June 13, 1943, in Nashville, Tennessee. After attending local schools, he enrolled at the University of Tennessee, where he graduated, with honors, in December 1965. Between 1966 and 1969, he served as an officer in the U. S. Navy. His service included tours aboard the USS Frontier (AD-25) and at the U. S. Naval Support Activity , Danang, South Vietnam, where he served as an Inventory Control Officer. Upon return to civilian life, Mr. Hamlett served as Audit Manager with the State of Tennessee for thirty-three years, retiring in 2003. While working full-time, he attended law school at night, graduating 3rd in a class of 83 in June 1976. Although he passed the Tennessee Bar Examination, in July 1976, he chose not to engage in the practice of law. Mr....
